NSLS & CFN Users' Meeting

May 20–22, 2013

Workshops

Monday, May 20

Single Molecule Microscopy Tools for Life Science and Materials Science

Frontiers in X-ray/Electron Imaging of Energy Materials

30 Years of NSLS Contribution to Synchrotron Radiation

Wednesday, May 22

Charge Transfer on the Nanoscale

Center for Communicating Science Workshops:

- Improvisation for Scientists
- Distilling Your Message

Soft X-rays for Critical Energy Technologies

BROOKHAVEN NATIONAL LABORATORY

nsls IR UV X NSLS & CFN JOINT USERS' MEETING

usersmeeting.ps.bnl.gov

Plenary Session

Tuesday, May 21

Plenary Speakers

Howard Schneider and **Elizabeth Bass,** Center for Communicating Science, Stony Brook University

Paul Doucette, Battelle, Washington, DC

Ainissa Ramirez, Yale University

Carl Safina, School of Journalism, Stony Brook University

BES/DOE Update

Harriet Kung, Associate Director of Science, Basic Energy Sciences

BNL Updates

Doon Gibbs, Interim Director, Brookhaven National Laboratory

Steve Dierker, Associate Laboratory Director, Photon Sciences

Emilio Mendez, Director, Center for Functional Nanomaterials

Erik Johnson, Deputy ALD for Programs, Photon Sciences

Social Events

Monday, May 20

Reception, Poster Session, Exhibitor Session

Tuesday, May 21

Annual Meeting Banquet, The Vineyard, Aquebogue, NY
